

## **Volunteer Stallholder**

### **Our Mission**

Following Jesus Christ, The Leprosy Mission strives to break the chains of leprosy, empowering people to attain healing, dignity, and life in all its fullness.

### **Position**

Our shopping can help people empower people affected by leprosy. When people purchase from The Leprosy Mission Catalogue, they have a double impact: empowering people affected by leprosy and disability who produce many of the products, and the profits help people affected by leprosy.

If you love talking to people, and you enjoy the hustle and bustle of markets, you may love helping people affected by leprosy out in this way. You would receive goods on consignment and would sell them at your church, car boot sales, or wherever else you might have the opportunity. You could even make a night of it and invite people over for a night of coffee, desserts and shopping from the goods you have on display!

### **Tasks**

1. Receiving of stock from The Leprosy Mission Australia.
2. Keep an eye for opportunities
3. Set up and run stall
4. Requesting of other props for stalls (Eg. If banners or table cloths are needed)
5. Collect and reconcile goods sold and money raised accurately
6. Manage and adjust stock quantities as required.

### **Schedule and commitment.**

Events vary depending on the seasons and the areas that you are in. You can commit to as many or as few events as you would like. We only ask that you keep us informed 2-3 months in advance so we can allocate our stock accordingly.

We also ask that if you are unable to follow through with an event and payments (to the event organisers for stall space as an example) have already been made, please organise a replacement.

**Training and supervision**

No training required, however if assistance is needed in any form, we can definitely provide support.

(Eg. If you need tips or suggestions on setting up your stall, we can arrange for someone with experience to give you hand, either over the phone or in person, if possible)
